

## Meeting seven: A3

21/05/2022

### Agenda:

- Discussed members inability to work on a3 due to a4 being a priority.
- Ryan discussed the use of his goat in the presentation of A5.
- Discuss idea of Vikki (the goat) being evil.
- Polina discussed the code requirements for what we wish to achieve.
- Discussed using an artificial voice in place of our own.

### Actions:

- Group to look for an application that we can use to create voices for the presentation.
- Group to begin working on the presentation through uploading videos or photos we may use.
- Silas to have completed the majority of the report by our next meeting.
